CACFP INFANT MEALS – PARENT PREFERENCE LETTER

TO: Parents and Guardians of Infants under one year of age

FROM:

Name of Center or Provider	Wee Care Day Care Early Learning Center
----------------------------	---

TOPIC: Who will provide food for your infant’s meals?

Due to participation on the Child and Adult Care Food Program (CACFP), all children enrolled at this child care center or family child care (FCC) home receive meals free of charge. The CACFP is a child nutrition program of the United States Department of Agriculture. Child care centers and family child care homes are reimbursed a meal rate to help with the cost of serving nutritious meals to enrolled children. These centers and FCC homes can be reimbursed daily for up to two meals and one snack served to each enrolled child, including infants. Emergency Shelters can be reimbursed for up to three meals. The meals must meet CACFP meal pattern requirements for children and infants.

To meet CACFP requirements, the center or FCC home is required to **offer** formula and other required infant food to all enrolled infants. The iron fortified infant formula we will provide for infants until they turn one year of age is:

Center or provider to insert the NAME OF FORMULA that they will provide	Gerber Good Start
--	-------------------

A parent or guardian may decline the formula offered by the center or home and supply the infant’s formula themselves. However, when an infant turns one year of age, the center or FCC home will begin to provide milk and the other required food items to meet the meal pattern requirements for toddler age children.

To assist us in your infant formula and food preferences, please complete preferences below by checking one item each in the formula and solid food section.

HOUSEHOLD LETTER - Dear Parent or Guardian

Please help us comply with the requirements of the U.S. Department of Agriculture's Child and Adult Care Food Program (CACFP) by completing the attached income eligibility application for free and reduced-price meals. All information will be treated with strict confidentiality. The CACFP provides reimbursement to the child care center for healthy meals and snacks served to children enrolled in child care. **The completion of the income eligibility application is optional.** Complete the application on the reverse side using the instructions below for your type of household. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center. Households with incomes less than or equal to the reduced-price values listed on the chart at the bottom of this page are eligible for free meal benefits. An application must contain complete information to be considered for free or reduced-price meals. Households are no longer required to report changes regarding the increase or decrease of income or household size or when the household is no longer certified eligible for food assistance (SNAP) or Ohio Works First (OWF). Once approved for free or reduced-price benefits, a household will remain eligible for these benefits for a period not to exceed 12 months. During periods of unemployment, your child(ren) is eligible for meal reimbursement provided the loss of income during this time causes the family to be within eligibility standards for meals. In operation of the CACFP, no person will be discriminated against because of race, color, national origin, sex, age or disability §226.23(e)(2)(iv). If you have questions regarding the completion of this application, contact the child care center.

PART 1 – CHILD INFORMATION: ALL HOUSEHOLDS COMPLETE THIS PART (*denotes required info)

- Print the name of the child(ren) enrolled at the child care center. All children (including foster children) can be listed on the same application.
- List the enrolled child's age and birth date.
- Check box indicating if the child is a foster child. Foster children that are under the legal responsibility of the foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Attach documentation to show foster child status.

PART 2 – HOUSEHOLDS RECEIVING FOOD ASSISTANCE OR OHIO WORKS FIRST: COMPLETE THIS PART AND PART 4 – If a child is a member of a food assistance (SNAP) or OWF household, they are automatically eligible to receive free CACFP meal benefits.

Circle the type of benefit received: Food Assistance (SNAP) or Ohio Works First (OWF).

- List a current food assistance or OWF case number for each child. This will be a 7-digit number. Do not list a swipe card number.
- SKIP PART 3 – Do not list names of household members or income if you listed a valid Food Assistance (SNAP) or OWF case number for each child in Part 2.**

PART 3 – TOTAL HOUSEHOLD SIZE, GROSS INCOME AND HOW OFTEN RECEIVED: ALL OTHER HOUSEHOLDS COMPLETE PARTS 3 & 4.

- a) Write the names of all household members including yourself and the child(ren) that attends the child care center, noting any income received. A household is defined as a group of related or unrelated individuals who are living as one economic unit that share housing and/or significant income and expenses of its members. This might include grandparents, other relatives, or friends who live with you. Attach another piece of paper if you need more space to list all household members.
- b) Check the box for any person listed as a household member (including children) that has no income.
- c) For each household member, list each type of income received during the last month and list how often the money was received.
 1. Earnings from work before deductions: Write the amount of total gross income each household member received the last month, before taxes/deductions or anything else is taken out (not the take-home pay) and how often it was received (weekly, every two weeks, twice per month, monthly, annually). Income is any money received on a recurring basis, including gross earned income. Households are not required to include payments received for a foster child as income. If any amount during the previous month was more or less than usual, write that person's usual monthly income. If you normally get overtime, include it, but not if you only get it sometimes. If you are in the military and your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.
 2. List the amount each person got the last month from welfare, child support or alimony and list how often the money was received.
 3. List the amount each person got the last month from pensions, retirement, Social Security, Supplemental Security Income (SSI), Veteran's (VA) benefits or disability benefits and list how often the money was received.
 4. List all other income sources. Examples include: Worker's Compensation, strike benefits, unemployment compensation, regular contributions from people who do not live in your household, cash withdrawn from savings, interest/dividends, income from estates/trusts/investments, net royalties/annuities or any other income. Self-employed applicants should report income after expenses (net income) in column 1 under earnings from work. Business, farm or rental property report income should be entered in column 4. Do not include food assistance payments.

PART 4 – SIGNATURE AND LAST 4 DIGITS OF SOCIAL SECURITY NUMBER: ALL HOUSEHOLDS COMPLETE THIS PART (* denotes required info)

- a) * All applications must have the signature of an adult household member.
- b) * The adult signing the application must also date the form.
- c) * Only an application that lists income in Part 3 must have the last four digits of the social security number of the adult who signs. If the adult does not have a social security number, check the box marked, "I do not have a Social Security Number." If you listed a food assistance or OWF number for each child or if you are applying for a foster child, the last four digits of the social security number are not required.

PART 5 – RACIAL/ETHNIC IDENTITY – OPTIONAL

You are not required to answer this part in order for the application to be considered complete. This information is collected to make sure that everyone is treated fairly and will be kept confidential. No child will be discriminated against because of race, color, national origin, gender, age or disability.
